Invitation Song #181 "Just As I Am"

In 1623 a day of fasting and prayer during a period of draught was changed to one of thanksgiving because the rain came during the prayers. Gradually the custom prevailed in New England of annually celebrating Thanksgiving after the harvest.

During the American Revolution, a yearly day of Thanksgiving was suggested by the Continental Congress.

In 1817, New York adapted Thanksgiving Day as an annual custom, and by the middle of the 19th century many states had done the same.

In 1863 President Lincoln appointed a day of Thanksgiving as the last Thursday in November, which he may have correlated it with Nov. 21, 1621, the anchoring of the Mayflower at Cape Cod. President FDR set the date for Thanksgiving to the 4th Thursday of November in 1939.

Thought For The Week

*The Pilgrims made seven times more graves than huts.
No Americans have been more impoverished
than these who, nevertheless,
set aside a day of Thanksgiving.*
